

Leaf Collection Notice

In response to the concerns of our Senior Citizens regarding leaf collection, Mayor Joseph Petsch and the Franklin Township Committee have directed the Public Works Department to collect a limited number of bagged leaves. The Public Works Department, located at 234 Broad Street, Malaga will furnish ten (10) plastic bags to those residents that want to take advantage of the limited leaf collection. When you come in to pick up your bags, the Public Works Department will record your address for a future leaf pick up during the months of November and December 2009. In addition, we have extended the hours of our composting station on Coles Mill Road to Monday through Friday 7:30 AM to 3:00 PM and Saturday's from 8:00 AM until 12:00 PM where residents may dispose of their collected leaves.

The Public Works Department can be reached at 856-694-3155.
